

TIDC INDIA
Unit of Tube Investments of India Ltd

ENVIRONMENTAL POLICY

We, the employees of TIDC INDIA commit ourselves to manufacture power transmission products and conveyor systems in a clean, green and safe environment.

We will continuously improve our environmental performance through,

- Minimizing air emissions, noise levels in the plant, process effluents and solid wastes.
- Effectively utilizing all available resources like water, power, fuel and raw material.
- Striving for utilizing eco-friendly products and processes.
- Complying with all relevant legislations, regulatory requirements.
- Establishing, monitoring and reviewing the systems and procedures to meet the stated environmental objectives and targets.
- Training and motivating all our employees to be environmentally aware and responsible.
- Making this policy known to all interested / concerned parties and making it available upon request to Public.
